## Notice of Office Re-Location.

4/22/14

Dear Parents and Patients:

Willoughby Beach Pediatrics is announcing the consolidation of office locations. As many of you know we have two locations and we will be consolidating them into one location to improve service and office hours.

The 7658 Belair Road location will move to the: **7001 Johnnycake Road, Suite 101, Baltimore, Maryland 21244** location. The Johnnycake Road office is a short 20 minute drive on the Beltway going west from the Belair Road office. It has been recently renovated and boasts 5 upgraded examining rooms and is conveniently located in a Medical complex next to a Pharmacy and immediately across the street from Quest and Labcorp Labs, allowing you to get most of your health care needs in one convenient location.

All patients' insurance and PCP coverage will not change. All patients that have been seen at the Belair Road office will now be seen at the Johnnycake Road office. The transition will start May 1<sup>st</sup> 2014 and be complete May 30<sup>th</sup> 2014.

We do understand that the distance may be far for some of our families. In this regard we encourage those families to contact their insurance carriers to select another PCP that's convenient for them.

For those of you who can make the change, we hope that it is not too much of an inconvenience; however it will be an improvement to overall quality of service, and improved office hours. We look forward to serving you there. I want to thank you all for entrusting us with the care of your child/children and look forward to continued care.

If you have any questions please feel free to contact the office.

Sincerely,

*Dr. A and the Willoughby Beach Pediatrics Staff.*
